## TESTIMONIALS

In 2010, I transitioned from the San Fernando Valley to Beverly Hills in an entirely client-facing industry. The Chamber of Commerce was an invaluable tool in getting my new network established in an opportunity-rich, affluent community. My Book of Business has grown millions of dollars due to connections made via Chamber events. More importantly, the opening of our branch was expedited thanks to the Chamber's ongoing partnership with the City and its regular advocacy of its members. The Chamber has helped make my business a known quantity in Beverly Hills; I couldn't have done it without them.

Jonathan Pier Durante  
Deputy Regional Managing Director  
First Republic Bank

I joined the Beverly Hills Chamber of Commerce four months ago and the experience has been amazing! The staff is very friendly, helpful and incredibly welcoming. I've had the pleasure of meeting a lot of great people in business and within the Beverly Hills community. The Chamber does an excellent job with hosting so many great events as well. As a healthcare professional, it has been so nice to see the City of Beverly Hills in conjunction with the chamber start the new Beverly Hills Healthy City initiative. My membership has impacted my business in the most positive way and I can happily say that approximately 80% of my patient base has come from the Chamber and its connections. I cannot thank the entire staff and members enough for their referrals and support of my practice!
